34TH INTERNATIONAL INVENTION SHOW

INOVA 1971-2008

INOVA is a traditional national exhibition of inventions which since 1971 has been regularly displaying the best of the technical inventive work in Croatia. INOVA is encouraging and symbolizing the innovative spirit in Croatia.

Over the past 33 years of its existence INOVA has brought together, promoted and presented to the public thousands of domestic and hundreds of foreign inventions.

INOVA 2009

The major international exhibition of innovations held at the Zagreb International Fair, one of 11 leading world expos, will be an event worthy of the 34th anniversary of such exhibitions in Croatia. At the same time, INOVA will offer ample opportunities for domestic inventors and entrepreneurs to meet their foreign colleagues and for the sale of inventions on the Croatian market.

INOVA 2009 will attract inventors from the neighboring countries (Slovenia, Serbia and Montenegro, Bosnia and Herzegovina) as well as a number of longstanding business partners of the Croatian Inventors Association from USA, UK and Russia.

INOVA 2009 is an exhibition of inventions, new products and innovations of young people. A lot of entertainment features will include attractive prizing programs. Indeed, the organizers are preparing numerous medals which will be conferred on the basis of decisions by an international jury.

ORGANIZERS

The Croatian Inventors Association, the Croatian inventors organizations sponsored by the Zagreb City Administration can promise a high level of organization, whereas the Zagreb Fair with its 140-year tradition can guarantee a massive business turnout plus media coverage.

WELCOME TO ZAGREB

Zagreb, capital of the Republic of Croatia, is a charming 900 years old Central European city.

Organizers will be delighted to be your hosts.
